

Earth as a playground â?? a photo exhibition

Description

default watermark

A photo exhibition â??Earth as a playgroundâ?? was conducted by the Dept. of Electronic Media and Mass Communication in collaboration with Alliance Francaise Pondichery. The exhibition showcased selected work of students and alumni of the department emerging from the competition â??Letâ??s play the gameâ??. The exhibition was organised at Maison Colombani from 13 â?? 20 December. The two best photos sent to Paris to compete in the worldwide Fondation Alliance FranÃ§aise 2014 were clicked by Sumon Datta, a 1st year student of the department. The festival was coordinated by Radhika Khanna for the DEMMC, and Nicolas Joffroy for AFP.
