

## Pondicherry University Promotes Integrity During Vigilance Awareness Week

### Description

On 28th October 2024, Pondicherry University held a program titled "Culture of Integrity for National Prosperity" as part of the Vigilance Awareness Week. Vice-Chancellor (i/c) of the University, Prof. K Tharanikkarasu gave the pledge to uphold public interest and actively combat corruption. The event emphasised the importance of integrity as a foundation for national prosperity, encouraging everyone to take responsibility in maintaining a corruption-free environment. The university's initiative aligns with the national effort to promote vigilance and integrity across institutions.
